All the dates are a Sunday unless otherwise stated.

If members want to shoot any time during week then make sure a key holder is available and there are 2 over 18's present and 1 must be a club member(not an associated member). If you have been a club member for atleast a year then you can get a key to the container, get in contact with a committee member if you are interested in a key.

Spoon Shoot: This is an **optional** shoot based on Handicap; enter on the day; rounds are decided among the archers present on the day. The cost will be an extra £1.50 to enter before you shoot. (June, July, and August are not). If you are at an open shoot then you can send in your score to be part of the spoon if its on the same day(1st round).

Club Comps: For these shoots all members can enter but only those who have entered can shoot that day. An entry form will be out closer to the day to explain what the shoots is about(includes the spoon shoots: June, July, August).

League: The League shoots will be either home or away. They will be shot over a 9 dozen round called a Windsor (60y, 50y, 40y). The teams (of up to 8 archers) will be decided on various factors(HC/availabilty). Sighters are usually 11am. **(3 matches)**.

Local Open Shoots: If you are interested in any of the open shoots visit the county website calendar for more information:
